

# NEW OUTPATIENT HOME HEALTH SERVICE!

## What

Connect with your Physical Therapist outdoors! Participate in prescribed exercises, with your Physical Therapist! Target your pain, improve your overall health, and work as a team to reach YOUR goals.

## Where

On your driveway, at the park or another appropriate spot outside. (Currently serving West Windsor, Plainsboro and Princeton)

## When

Morning or Afternoon Visits Available Monday through Friday

## Why

It's healthy, safe and convenient (Social Distancing, Fresh Air)

## Who

Patients that are NOT a fall risk are eligible for this new service. Patients who may be at risk for falling and need close supervision will be referred to Home Care Services.

## Insurance

Covered by Medicare. For other insurance plans, we offer a private pay option.
